The West County Family YMCA-Princesses/Guides (Serving primarily Huntington Beach and Fountain Valley) is a year-round program designed to enrich and build strong relationships between parents and their children, specifically that very important bond between Dads/Daughters and Dads/Sons (Kindergarten through 3rd Grade).

Fathers and daughters/sons form smaller groups and organize events for those and the larger group according to the groups' interests and skills and the YMCA provides valuable guidance and administrative support.

"Y-Princess/Guides" activities range from smaller bi-weekly or monthly events ranging from craft making, recreation, or tours of local places to embarking on large-scale camping trips in the mountains or beaches together. Unique experiences are gained by dads and children and other friendships gained create lasting bonds and life-long memories.

Your attendance as a player and/or support as a prize donor/sponsor of this golf tournament will further enrich the quality and scope of the activities that can be provided by the YMCA and our community's Y-Princess program.
